

## **Venue Requirements**

If you wish your first aid training course to be delivered at your choice of venue, these are the requirements that would be needed to fulfil a course comfortably and safely:

- The room chosen for the training should be significantly large enough to carry out practical aspects involving kneeling or lying on the floor.
- The provision of a white board/flipchart and writing material (please inform us if you require us to supply these).
- Loose, comfortable clothing should be worn.
- Candidates may like to equip themselves with pens/paper for taking notes.

All students should be aware that the course covers situations that require kneeling and bending etc. Please make us aware of any special arrangements we may need to deliver the course safely.
